No televisions on Oct. 2 Recycle Day
(contact us for separate handling)

NO GARBAGE

NO EMPTY CONTAINERS

Prepare Materials Properly

Preparing your hazardous items for transport and disposal will minimize risks to you, your family and Metro staff from spills or dangerous mixing of chemicals.

- No containers larger than five gallons.
 - Keep products in original containers.
 - Do not mix products together. Dangerous reactions can occur when some materials are mixed.
 - Packing:
 - Properly seal products to prevent leaks and spills. If a container is leaking, secure it in a second leak-proof container, such as an empty bucket, and make sure it stays upright.
 - Pack upright in a single layer in a sturdy, leakproof box for safe transport to event.
 - Transport in trunk of car, away from driver, passengers, pets, heat, sparks, or flames.
 - Bring sharps (medical syringes) in an approved sharps container.
 - Be prepared to leave the container. Boxes and containers, including fuel cans, cannot be returned.
-

Donation Items

- Clothing and linens
- Small home appliances
- Household items: dishes, kitchenware, jewelry, knick-knacks, clean area rugs
- Miscellaneous items: tools, musical instruments, artwork, antiques
- Televisions: no older than 5 years
- Books

PLEASE:

- All items for donation should be clean and in good repair
- Clothing should be in a bag or box
- No large items—items should fit in a car
- No furniture
